\_\_\_\_\_ Please charge my account \$108 per month for family unlimited use am AND pm.

\_\_\_\_\_ Please charge my account \$10 each day **only** if I choose to use it on occasion.

Please select one of the above. This amount will be charged to your account August-May.

**Fundraiser Fee**

MCA does fundraising each year to help with operational costs. PTF does fundraising to help support our staff and provide things for the school that are not provided by our budget. In lieu of increasing tuition by \$350, MCA would like to give each family the opportunity to choose how they may assist with raising this amount. Please select one of the following:

\_\_\_\_\_ I agree to be billed \$350 by having it included with my tuition fee. I understand that my tuition invoice will increase \$35 per month (August-May) for one student, or \$70 per month (August-May) for my family (more than one student enrolled at MCA).

\_\_\_\_\_ I agree to provide the additional funds by fundraising. I understand that I must raise a minimum of \$75 per child for PTF, and sell 15 diner cards per child and two reverse drawing raffle tickets. I understand that if I do not sell what is sent home with my child, (value up to, but not over, \$350), the difference will be billed to my account.
