Homework Assignment Book (Middle school students will be issued a **HAB**. High school students have the option to buy a **HAB** or purchase their own - HABs are \$5 and may be purchased in the office.)

Textbooks must be covered. Covering textbooks with gift bags has proven the best way to protect the books. The jumbo book covers do not work. They end up breaking the spines of the books. We ask that you cover hard and soft cover books in order to keep the Resource Fees at a minimum. We try to reuse as many books as possible each year.

Teachers may request students to purchase something particular to their classroom needs.
